[Cheap Price] **Alien Skin Exposure 5** Full Version

Exposure brings you the rich set of creative tools of the film world. Exposure helps you visually explore carefully designed looks, reducing the need to fiddle with techy controls. The redesigned user interface in Exposure 5 reduces distraction and provides new ways to quickly find your style. There is a much wider range of textures and new controls to subtly combine them. Exposure works everywhere you do, now with Aperture support and as a stand-alone application that provides easy batch processing.
