[Cheap Price] **Arobas Music Guitar Pro 5 Full Version**

Scores for Everybody Known for its ease of use, Guitar Pro allows you to easily and intuitively enter notes by using keyboard keys, mouse clicks on a fretboard or directly a MIDI instrument.

Guitar Pro can handle up to 256 tracks and supports 4- to 7-strings instruments as well as percussions. It is even possible to enter non-guitar tracks. A well-designed Interface The numerous toolbars available allow you to quickly access the most important features. With multitrack /monotrack display, horizontal or vertical scrolling, the screen display adjusts to your preferences and score types. Tablatures and Standard Notation Primarily designed for tablatures, Guitar Pro allows you to switch to standard notation for viewing or editing scores. The two notation systems are bound, and a note entered in one system is automatically added in the other one. The rhythmic are automatically calculated and displayed by Guitar Pro. You just have to enter the note duration and let Guitar Pro do the work. Professional Quality Paper Printings Independant from the screen display, the paper printing can be monotrack or multitrack. This way you can print several views of the same score, perfect for a band.
