

# Buy and Download Autodesk Quantity Takeoff 2013 Cheap Price

## **Purchase Autodesk Quantity Takeoff 2013 by Autodesk**

[Cheap Price] **Autodesk Quantity Takeoff 2013** Full Version

Autodesk Quantity Takeoff building cost estimating software helps make material costing faster, easier, and more accurate. Cost estimators can create synchronized, comprehensive project views that combine important information from building information modeling (BIM) tools such as Revit ® Architecture, Revit ® Structure, and Revit ® MEP software together with geometry, images, and data from other tools. Automatically or manually measure areas and count building components, export to Microsoft ® Excel ®, and publish to DWF ® format
