Purchase Nik Software Color Efex Pro 3 by Nik Software

[Cheap Price] **Nik Software Color Efex Pro 3** Full Version

Completely Original. Completely Indispensable Nik Software Color Efex Pro 3.0 filters are the leading photographic filters for digital photography. The award-winning Color Efex Pro 3.0 filters are widely used by many of today's professional photographers around the world to save time and get professional level results. Whether you choose the Complete Edition, Select Edition, or Standard Edition, you TM get traditional and stylizing filters that offer virtually endless possibilities to enhance and transform images quickly and easily. Patented U Point [®] technology provides the ultimate control to selectively apply enhancements without the need for any complicated masks, layers or selections. Control color, light and tonality in your images and create unique enhancements with professional results. With 52 filters and over 250 effects found in Color Efex Pro 3.0, you can perform high quality retouching, color correction, and endless creative enhancements to your photographs. Updates to old favorites such as Classical Soft Focus, Darken /Lighten Center, and Vignette filters are joined by exciting new filters Film Effects, Glamour Glow, High Key, Tonal Contrast, Bleach Bypass, and more. See the full filter list with sample images here. The result is nothing less than the most complete, most useful collection of photographic filters you can add to your toolkit
